Additional state requirements (e.g. examinations) may be required for full licensure. See the Arizona State Board for Private Postsecondary Education's website for additional information.
Arkansas	<u>Arkansas Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Arkansas. Additional state requirements (e.g. examinations) may be required for full licensure. See the Arkansas Department of Education's website for additional information.
California	<u>California Commission on Teacher Credentialing</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in California. Additional state requirements (e.g. examinations) may be required for full licensure. See the California Department of Education's website for additional information.
Colorado	<u>Colorado Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Colorado. Additional state requirements (e.g. examinations) may be required for full licensure. See the Colorado Department of Education's website for additional information.

Connecticut	<u>Connecticut State Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Connecticut. Additional state requirements (e.g. examinations) may be required for full licensure. See the state licensure website for additional information.
Delaware	<u>Delaware Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Delaware. Additional state requirements (e.g. examinations) may be required for full licensure. See the Delaware Department of Education's website for additional information.
Washington, D.C.	<u>District of Columbia Higher Education Licensure Commission</u>	Not known: SPU has not determined whether completion of the undergraduate teacher certification program fulfills requirements for certification in this state. Please visit the Washington D.C. licensure board website for more information.
Florida	<u>Florida Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Florida. Additional state requirements (e.g. examinations) may be required for full licensure. See the Florida Department of Education's website for additional information.
Georgia	<u>Georgia Professional Standards Commission</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Georgia. Additional state requirements (e.g. examinations) may be required for full licensure. See the state licensure website for additional information.
Hawaii	<u>Hawaii Teacher Standards Board</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Hawaii. Additional state requirements (e.g. examinations) may be required for full licensure. See the Hawaii Teacher Standards Board website for additional information.
Idaho	<u>Idaho State Board of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Idaho. Additional state requirements (e.g. examinations) may be required for full licensure. See the state licensure website for additional info.
Illinois	<u>Illinois State Board of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Illinois. Additional state requirements (e.g. examinations) may be required for full licensure See the state licensure website for additional info.

Indiana	<u>Indiana Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Indiana. Additional state requirements (e.g. examinations) may be required for full licensure. See the state Department of Education website for additional info.
Iowa	<u>Iowa Board of Educational Examiners</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Iowa. Additional state requirements (e.g. examinations) may be required for full licensure. See the Iowa Department of Education's website for additional information.
Kansas	<u>Kansas State Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Kansas. Additional state requirements (e.g. examinations) may be required for full licensure. See the state Department of Education website for additional info.
Kentucky	<u>Kentucky Education Professional Standards Board</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Kentucky. Additional state requirements (e.g. examinations) may be required for full licensure. See the state Department of Education website for additional info.
Louisiana	<u>Louisiana Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Louisiana. Additional state requirements (e.g. examinations) may be required for full licensure. See the Louisiana Department of Education's website for additional information.
Maine	<u>Maine Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Maine. Additional state requirements (e.g. examinations) may be required for full licensure. See the Certification Office, Maine Department of Education's website for additional information.
Maryland	<u>Maryland State Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Maryland. Additional state requirements (e.g. examinations) may be required for full licensure. See the Maryland State Department of Education's website for additional information.

Massachusetts	<u>Massachusetts Executive Office of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Massachusetts. Additional state requirements (e.g. examinations) may be required for full licensure. See the state licensure website for additional information.
Michigan	<u>Michigan Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Michigan. Additional state requirements (e.g. examinations) may be required for full licensure. See the Michigan Department of Education's website for additional information.
Minnesota	<u>Minnesota Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Minnesota. Additional state requirements (e.g. examinations) may be required for full licensure. See the Minnesota Department of Education's website for additional information.
Mississippi	<u>Mississippi Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Mississippi. Additional state requirements (e.g. examinations) may be required for full licensure. See the Mississippi Department of Education's website for additional information.
Missouri	<u>Missouri Department of Elementary and Secondary Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Missouri. Additional state requirements (e.g. examinations) may be required for full licensure. See the Missouri Department of Education's website for additional information.
Montana	<u>Montana Office of Public Instruction</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Montana. Additional state requirements (e.g. examinations) may be required for full licensure. See the Montana Office of Public Instruction's website for additional information.
Nebraska	<u>Nebraska Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Nebraska. Additional state requirements (e.g. examinations) may be required for full licensure. See the Nebraska Department of Education's website for additional information.
Nevada	<u>Nevada Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Nevada. Additional state requirements (e.g. examinations) may be required for full licensure. See the State of Nevada Board of Education or Office of Educator Licensure websites for additional information.

New Hampshire	<u>New Hampshire Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in New Hampshire. Additional state requirements (e.g. examinations) may be required for full licensure. See the New Hampshire Division of Educator Support and Higher Education, Bureau of Credentialing website for additional information.
New Jersey	<u>New Jersey Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in New Jersey. Additional state requirements (e.g. examinations) may be required for full licensure. See the New Jersey Department of Higher Education's website for additional information.
New Mexico	<u>New Mexico Public Education Department</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in New Mexico. Additional state requirements (e.g. examinations) may be required for full licensure. See the New Mexico Public Education Department's website for additional information.
New York	<u>New York State Education Department</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in New Mexico. Additional state requirements (e.g. examinations) may be required for full licensure. See the New Mexico Public Education Department's website for additional information.
North Carolina	<u>North Carolina Department of Public Instruction</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in North Carolina. Additional state requirements (e.g. examinations) may be required for full licensure. See the North Carolina Department of Public Instruction's website for additional information.
North Dakota	<u>North Dakota Education Standards and Practices Board</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in North Dakota. Additional state requirements (e.g. examinations) may be required for full licensure. See the North Dakota Education Standards and Practices Board website for additional information.
Ohio	<u>Ohio Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Ohio. Additional state requirements (e.g. examinations) may be required for full licensure. See the Ohio Department of Education's website for additional information.
Oklahoma	<u>Oklahoma State Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Oklahoma. Additional state requirements (e.g. examinations) may be required for full licensure. See the Oklahoma State Department of Education's website for additional information.

Oregon	<u>Oregon Teacher Standards and Practices Commission</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Oregon. Additional state requirements (e.g. examinations) may be required for full licensure. See the Oregon's Teacher Standards and Practices Commission website for additional information.
Pennsylvania	<u>Pennsylvania Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Pennsylvania. Additional state requirements (e.g. examinations) may be required for full licensure. See the Pennsylvania Department of Education's website for additional information.
Puerto Rico	<u>Puerto Rico Department of Education</u>	Not known: SPU has not determined whether the Teacher Residency Certification Program meets the educational requirements for licensure in Puerto Rico. See the Puerto Rico State Department of Education's website for additional information.
Rhode Island	<u>Rhode Island Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Rhode Island. Additional state requirements (e.g. examinations) may be required for full licensure. See the Rhode Island Department of Elementary and Secondary Education's website for additional information.
South Carolina	<u>South Carolina State Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in South Carolina. Additional state requirements (e.g. examinations) may be required for full licensure. See the South Carolina Department of Education's website for additional information.
South Dakota	<u>South Dakota Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in South Dakota. Additional state requirements (e.g. examinations) may be required for full licensure. See the South Dakota Department of Education's website for additional information.
Tennessee	<u>Tennessee Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Tennessee. Additional state requirements (e.g. examinations) may be required for full licensure. See the Tennessee Department of Education's website for additional information.
Texas	<u>Texas Education Agency</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Texas. Additional state requirements (e.g. examinations) may be required for full licensure. See the Texas State Board of Education's website for additional information.

Utah	<u>Utah State Board of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Utah. Additional state requirements (e.g. examinations) may be required for full licensure. See the Utah State Board of Education's website for additional information.
Vermont	<u>Vermont Agency of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Vermont. Additional state requirements (e.g. examinations) may be required for full licensure. See the Vermont Agency of Education-Licensing Office's website for additional information.
Virgin Islands	<u>Virgin Islands Department of Education</u>	Not known: SPU has not determined whether the Teacher Residency Certification Program meets the educational requirements for licensure in the Virgin Islands. See the Virgin Island Department of Education's website for additional information.
Virginia	<u>Virginia Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in California. Additional state requirements (e.g. examinations) may be required for full licensure. See the California Department of Education's website for additional information.
Washington	<u>Washington Office of the Superintendent of Public Instruction</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate when applying for licensure in Washington. See the Professional Educator Standards Board website for additional information.
West Virginia	<u>West Virginia Department of Education</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in West Virginia. Additional state requirements (e.g. examinations) may be required for full licensure. See the West Virginia Department of Education's website for additional information.
Wisconsin	<u>Wisconsin Department of Public Instruction</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Wisconsin. Additional state requirements (e.g. examinations) may be required for full licensure. See the Wisconsin Department of Public Instruction's website for additional information.
Wyoming	<u>Wyoming Professional Teaching Standards Board</u>	Meets academic requirements: Completing a teacher preparation program at SPU qualifies a candidate as an out of state program completer when applying for licensure in Wyoming. Additional state requirements (e.g. examinations) may be required for full licensure. See the Wyoming Professional Teaching Standards Board website for additional information.
